Procedure for Returns:

1. Review our complete Returns and Exchange policies and return only qualifying products.
2. Complete this form in its entirety and remember to include the Order Id which can be found on your original order confirmation, packing slip or invoice.
3. Affix our return address label to the outside of the box used to return your products.
4. Return items to us within 30 days of original invoice.
5. Send return via insured carrier and save your tracking information until credit is received as all returns are responsibility of customer.
6. Await your credit. Any credit issued will be processed in the same manner in which the purchase was made (i.e. a purchase made with a credit card will be credited to the same card). Shipping charges are Non-Refundable.
7. Place a new order for desired product if needed.
